

The enrollment information provided for the current New York City Council Districts is based on the enrollment of the new 2012 election districts as provided by the New York State Board of Elections to the City Board on July 27, 2012.

The State Board advises that new Election District enrollment number is based upon each voter's reapportioned district as of July 25, 2012, reflecting those voters who were registered before April 1, 2012. The number does not include any voters who have been removed from the Statewide Voter Registration List since April 1, 2012.
