Hey NYC Voters,
Keep an eye out, your NYC information mailer is on its way!
Inside that mailing, you will be given your early voting site, dates and hours, as well as your Election Day poll site.
You'll also receive your very own Fast Pass Tag for contactless check-in and a Fast Pass Card with all your voting information to use as well.
If you bring these with you to the polls, a poll worker will scan them to check you in.
For voters going to the polls on Election Day, look for the sign with your election and assembly districts to skip the information table.
